To: Terry Ellis, Tom Welch, Ron Carroll, and Linda Davenport

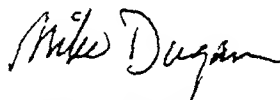

From: Mike Dugan

Date: March 29, 1988

Effective April 29th, 1988 I will be suspending my involvement in Troop 14 as Scoutmaster for a minimum of 3 months.

This decision is not made easily or hastily. It comes at a time when pressing educational opportunities exist for me. A secondary reason is that at this time I need to step back, be introspective, reevaluate and examine my life; but that is personal. Suffice it to say that withdrawal at this time will better prepare me to serve others more effectively in the future. Serving others has been my lifestyle for 17 years. This is the one time I need to do something for myself. I will be willing to serve in other less demanding roles for the present. I trust I have your blessing and support.

Sincerely,

Dear John:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. If you wish to have this decision reviewed by a review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.
